Frontier) submit this application for authority to grandfather Integrated Services Digital Network-Basic Rate Interface (ISDN-BRI) services throughout Frontier's entire service territory in the United States.

Frontier submits the following information in support of its application:

1. Name and Address of Carrier (47 C.F.R. §§ 63.71(a)(1), (c)(2)):

Frontier Communications Holdings, LLC
401 Merritt 7
Norwalk, CT 06851

2. Date of Planned Service Discontinuance, Reduction or Impairment (47 C.F.R. §§ 63.71(a)(2), (c)(2)):

Frontier plans to grandfather ISDN-BRI service on or after March 28, 2022, or as soon thereafter as the necessary regulatory approvals can be obtained. New customers will not be able to buy ISDN-BRI services, and moves, additions and changes will no longer be permitted for existing customers.

3. Points of Geographic Areas of Service Affected (47 C.F.R. §§ 63.71(a)(3), (c)(2)):

Frontier seeks authority to grandfather ISDN-BRI service throughout the twenty-six (26) states included in its United States service territory: Alabama, Arizona, California, Connecticut, Florida, Georgia, Illinois, Indiana, Iowa, Michigan, Minnesota, Mississippi, Nebraska, Nevada, New Mexico, New York, North Carolina, Ohio, Pennsylvania, South Carolina, Tennessee, Texas, Utah, Virginia, West Virginia and Wisconsin.

4. Brief Description of Type of Service Affected: (47 C.F.R. §§ 63.71(a)(4), (c)(2)):

Integrated Services Digital Network-Basic Rate Interface (ISDN-BRI) service is a central office based local exchange telecommunications service that provides local exchange access, interexchange access and features.

5. Brief Description of the Dates and Methods of Notice to all Affected Customers (47 C.F.R. §§ 63.71(c)(3)):

Frontier provided notification to both its wholesale and retail customers of its plans to grandfather these services. For its wholesale customers, Frontier provided notice on February 25, 2022, via email and by posting on its carrier communication website as is customary for wholesale notifications. This notification is attached as Appendix A. Frontier's retail customers that currently subscribe to the affected service were sent notices via U.S. mail on February 25, 2022. A sample notification letter is attached as Appendix B.

6. Regulatory Classification of Carrier (47 C.F.R. §§ 63.71(c)(4)):

Frontier is a non-dominant carrier with regard to the service to be grandfathered.

7. Service

Frontier is sending copies of this application via first class U.S. mail to the Governors, Public Utilities Commissions and Tribal Nations of the affected states, and also to the Special Assistant for Telecommunications to the Secretary of Defense as required by Section 63.71(a) of the Commission's rules.

Conclusion

The public convenience and necessity will not be adversely affected by the grandfathering of these services, as potential customers can seek alternative service arrangements from Frontier and/or other providers that offer superior capabilities, including the option to bundle voice service with other services, including broadband. The majority of the market has already replaced these services with other communications services and/or applications, as evidenced by the lack of demand. In 2017, the Commission adopted a streamlined process for grandfathering legacy voice service and other low-speed legacy services. Frontier respectfully

requests that the Commission use that streamlined process to approve its Section 63.71

Application to grandfather the services discussed herein.

Respectfully submitted,

s/ *AJ Burton*

Carrier Customer Bulletin

Date of Bulletin: February 25, 2022
 Notice #: CCBFTR01997
 Audience: Carrier, IXC, Wireless, CLEC, Local Reseller, ISP
 Subject: Important Notice Regarding the Plan of Frontier Communications Holdings, LLC and its subsidiaries
(collectively "Frontier") to Grandfather ISDN-BRI Services
 Date Effective: On or After 3/28/2022

This is a formal notification that, subject to applicable regulatory approvals, Frontier plans to grandfather Integrated Services Digital Network-Basic Rate Interface ("ISDN-BRI") services throughout its entire service territory. ISDN-BRI service is a central office based local exchange telecommunications service that provides local exchange access, interexchange access and features.

New Customers, Moves, Adds, Changes:

On or after 3/28/2022, new customers will not be able to buy ISDN-BRI services, and moves, additions and changes will no longer be permitted for existing customers.

If you have questions regarding the information provided in this notice, please contact your Frontier Account Manager.

The FCC will normally authorize this proposed discontinuance of service (or reduction or impairment) unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 10 days after the Commission releases public notice of the proposed discontinuance. You may file your comments electronically through the FCC's Electronic Comment Filing System using the docket number established in the Commission's public notice for this proceeding, or you may address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the [§ 63.71](#) Application of Frontier Communications Holdings, LLC. Comments should include specific information about the impact of this proposed discontinuance (or reduction or impairment) upon you or your company, including any inability to acquire reasonable substitute service.

Dear Valued Customer,

At Frontier®, our goal is to provide you with great communications services and an outstanding customer experience in the ever-changing world of technology. So that we may do this, we must continuously assess our pricing, products and infrastructure. As part of this effort, we find that we must make changes to ensure we are designing our network to meet the needs of current market demand. Occasionally, our evaluation directs us to make changes to some products.

This is a formal notification that, subject to applicable regulatory approvals, Frontier plans to grandfather Integrated Services Digital Network-Basic Rate Interface ("ISDN-BRI") services throughout its entire service territory. ISDN-BRI service is a central office based local exchange telecommunications service that provides local exchange access, interexchange access and features.

New Customers, Moves, Adds, Changes: On or after 3/28/2022, new customers will not be able to buy ISDN-BRI services, and moves, additions and changes will no longer be permitted for existing customers.

Alternative Options: Frontier would like to remain your preferred telecommunications service provider. We urge you to call us at **1.800.921.8102** to be routed to your customer service representative that can answer questions and assist in providing information on migrating your services to an alternative Frontier product. For Residential Customers, please call **1.855.810.6539**.

We truly value your business and look forward to our continued relationship as your network transformation partner.

Sincerely,

Frontier Customer Support Team

The following statement is required by the FCC:

The FCC will normally authorize this proposed discontinuance of service (or reduction or impairment) unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 10 days after the Commission releases public notice of the proposed discontinuance.
